Opened: 20.05 hrs

Brian Petch; Bob Hare

No agenda set and absence of both Chairman and Secretary Bob Hare agreed to chair the meeting.

The meeting continued by way of a frank and open discussion centred mainly on the recent decline and continued lack of support by committee and members during recent months highlighted by there not even the required numbers present to form a quorum during March and April.

During these discussions a way forward was suggested to hold future meetings on another day and date of the month and to try an alternative venue. This may offer fresh impetus in the efforts to encourage old and new members.

Some investigations during the days leading up to the meeting had been done by our President Fred Hemmerman and Treasurer Frank Maunder in an effort to provide alternatives should they be required.

The most popular feeling of the meeting was to return to holding future meetings on the first Wednesday of each month and that we also change venue.

A proposal by Frank was put to the meeting we accept the offer by the Proprietor of the St Vincent Social Club to allow us to hold all future meetings on the first Wednesday of the month, seconded by Dave Emmerson was carried unanimously.

Information was received by Frank Maunder that several committee members had allegedly indicated that they wished to stand down.

In view of the decisions taken at the meeting together with the information regarding possible resignations of officers it was deemed necessary to call an EGM to be held at the St Vincent's Social club Wednesday 1st June 2016, 20:00 hrs

Close of Meeting 20:50 hrs.
